Criteria Question

Criteria 7: Safety and compliance: Project is legally compliant, responsibly and actively engaging with the public to determine and mitigate possible risks and negative externalities

- 1. How confident are you in this project's claims with respect to this criteria?**

(1 = Not confident, 4 = Very confident, N/A=Not enough info or not sure)

- 2. Why did you select the rating that you did?**

(Consider and discuss the project's strengths and weaknesses with respect to this criteria)

Holistic questions

- 1. Would you recommend we purchase from this project?**

("Yes", "no", "maybe")

- 2. If you answered “No” or “Maybe” above, what could the project do such that you would answer “Yes”?**

(And if there’s nothing the project could do, let us know why that’s the case)

- 3. Please describe and explain the impact that Stripe purchasing from this project as proposed would have on the carbon removal field as a whole.**

(As a reminder, Stripe takes full responsibility for final purchase decisions, your feedback serves to inform us and help us figure out how to act in the best interests of the field.)

- 4. Would you be comfortable with us sharing this review verbatim with the project, without your name attached?**

(“Yes”, “no”)

5. If you answered “No” above, is there any feedback you’d like to provide that we can share verbatim with the project to help them improve, without your name attached?
